

BECOME A CARD-CARRYING MEMBER OF THE CRANDELL!

The Board and Staff of the Crandell Theatre work hard to bring you films and programming that are both entertaining and engaging. Because we are a not-for-profit theater, the proceeds from our membership program go right back into increasing the diversity of Crandell presentations as well as enhancing the building itself. With a Crandell membership you can both feel good and do good to support Main Street Chatham and maintain a vibrant film cultural center for our community.
